## **Public Notice**

Whereas, the Government of Haryana constituted the Haryana Water Resources Authority vide notification No.2/62/2020-11W dated 14.12.2020 for the purpose of regulation and control of water resources including ground water development and management in the whole of the State and to issue necessary regulatory directions and accordingly the guidelines were issued in this regard.

And whereas vide notice dated 08.02.2022, the Authority issued directions for imposing late fee of Rs. 1 lac on the applications received for seeking permissions for their existing borewells for abstraction of groundwater after 15.02.2022.

And whereas representations have been received from various Association of Industries, Infrastructure and Mining projects, to give relaxation in late fee and Haryana Water Resources Authority in its 36th meeting has decided to give relaxation in late fee for a period of one month i.e. from 01.12.2024 to 31.12.2024.

On persistent demand from different quarters, this date of relaxation in late fee was extended by one month i.e. upto 31.01.2025. However, different quarters have still requested for the extension of the relaxation period. Accordingly, the date of relaxation in the late fee has been extended by one month i.e. upto 28/02/2025. After expiry of the relaxation period i.e. after 28/02/2025, the late fee will be charged as per Authority directions.

All the users of ground water (except exempted category) drawing or proposing to draw ground water are directed to obtain NOC as per guidelines and are hereby directed to submit their applications for NOC through online portal i.e. <https://hwra.org.in>, failing which action will be taken as per law against the project proponents abstracting groundwater without permission of HWRA.
